

RNA Club 2023

October 27, 2023
Resort Olsina
www.resortolsina.cz

ORGANIZED BY

Institute of
Parasitology

KEYNOTE SPEAKERS

Sebastian Glatt

Malopolska Centre of Biotechnology,
Jagiellonian University, Krakow, PL

Michal Kolář

Department of Physical Chemistry, University
of Chemistry and Technology, Prague, CZ

MEETING TOPICS

Regulation of gene expression - RNA editing - RNA
degradation & quality control - noncoding RNAs -
RNAi - pre-mRNA splicing - structure & molecular
dynamics of RNA - RNA in development - RNA
viruses - translational control

PARTNERS

BIO-RAD
